S i r,

I have the honour to state that, on a reference received from the General Secretary to Government, the Sanitary Commissioner in Mysore invited in his letter No. C. 402-5/Enc. 1 dated 1-5-28 (copy herein enclosed for reference) proposals of the Board (1) for extending the compulsory vaccination Regulation into areas in which it is not in force at present and (2) augmenting the strength of vaccinators in the District. The Board considered the questions at their meeting held on 26-5-28 and resolved that vaccination may be made compulsory in all areas in which compulsory vaccination is not in force at present, and that as regards point 2, the District Medical and Sanitary Officer may be requested to intimate the additional establishment required to give effect to the proposal.

Accordingly a reply was sent to the Sanitary Commissioner with reference to his communication, and that District Medical and Sanitary Officer was also requested to make suitable proposals.

A reply having been since received from the District Medical and Sanitary Officer proposing the appointment of 4 additional vaccinators in the District- 3 for work in the Taluks of Tiptur, Chicknaikannalli and Pavagada, their head-quarters being fixed at Kibbanahalli, Huliyar and Nosakote respectively as these Taluks have at present only one vaccinator, and one at Tumkur for relieving duty when vaccinators in charge of Ranges

2

Ranges proceed on leave etc., it was placed before the Standing Committee and the District Board at their meetings held on -- 24-8-28 and 25-8-28 respectively, and resolutions were passed sanctioning the proposal of the District Medical and Sanitary Officer.

Copies of the resolutions passed in the matter are also herein enclosed for reference.

Under the circumstances, I request that sanction of Government may be accorded to the resolution of the District Board for the appointment of 4 additional vaccinators in the District in the last grade on Rs 20/- plus Rs 8/- Fixed Travelling Allowance each, the cost on this account for the current year being met from the closing balance of the Board as no provision for the purpose was made in the current year's budget of the Board.
